

The Hottest New Thing in Candles!™

Do you love to have a wonderful smelling home, but worry about open flames, smoke and soot on the walls? I have a solution for you – Scentsy Wickless Candles.

Scented wax is melted slowly by a 25-watt light bulb in an exclusive Scentsy warmer, releasing enticing aromas into the air. Exclusive warmers come in a variety of styles to fit every decorating style. Over 80 scentsational scents can be mixed and matched to achieve your own unique scent.

Contact me at to find out more about becoming a Scentsy customer, hosting a party or exploring the Scentsy business opportunity.
